BE PART OF THE FIRST DEDICATED HONEY PRODUCTION EVENT IN THE MENA REGION

Organised by OneCMG in cooperation with Beekeeping Association and the Asian Apicultural Association, the ApiArab Exhibition & Conference is designed to support a strategic effort by the Abu Dhabi Food Control Authority to increase honey production in the UAE and to encourage beekeepers across the MENA region to expand on additional revenue streams and develop the sophistication of existing operations.

EVENT SNAPSHOT

THE EXHIBITION

ApiArab Expo will deliver a world class showcase of over 70+ technology manufacturers and suppliers of equipment essential to beekeeping and apiculture related hardware, systems and solutions, together with a broad spread of market ready produce from across the MENA region.

THE CONFERENCE

Organised by the Arab Beekeeping Association and the Asian Apicultural Association, the 2nd ApiArab International Conference and the 15th Asian Apicultural Conference will take place on 1-3 April 2019. Speakers will be representative of the top echelon of experts from across the MENA region and worldwide. Topics will deliver insights and trends within the world of apiculture.

WORKSHOPS

A range of side workshop events will be hosted alongside the ApiArab International Conference for the visitors.

AWARDS

CO-LOCATED WITH GFIA

Born with the belief that continuous innovation in agriculture is the only way to sustainably feed nine billion people by 2050, the Global Forum for Innovations in Agriculture has emerged as a global authority on sustainable food production, driving innovation through exhibitions and conferences across the Middle East, Europe and Africa. Since 2014, GFIA events have welcomed over 20,000 visitors and worked with over 50 globally significant partners committed to using the Forum as a catalyst for change.
